Annexure 2 – Candle Employee Participation & Engagement

The success of an organization's CSR initiative is solely dependent on the commitment of its people. Rewards and recognition policy of IBS extends to its CSR organization as well to encourage participation of its people and to help them understand the importance of societal development and the impact each one of them can create by taking part in Candle activities.

Candle will function like any other Business/Enabling unit of IBS and will have the power to declare Spot Awards as well as the Excellence and Debutant awards. These awards will also reflect in the individual's FeedForward and will serve as a repository of his/her commitment to the organization's CSR initiatives.

Excellence/debutant awards

Candle Working Committee will have the responsibility to nominate its members for the Excellence/Debutant awards. Award recommendations shall be based on the contribution made by an individual in the CSR projects or as an advisory to the CSR activities. CSR Committee, will have the authority to approve the Excellence and Debutant award winners.

Spot awards

Candle Outreach core group and the Candle Working Committee will have the responsibility to nominate/approve members for the Spot awards. Appreciation received for an individual will be considered as eligible for the Customer Champ award, extraordinary work in a particular CSR project will be eligible for a department/team champ based on the impact it has created.

Internal vacancy notification (IVN)

Candle will announce its decision to take up large CSR projects through an internal communication. Following that an IVN will be circulated for the appointment of a Project Manager. IBSians who have a keen interest in working for social causes and are willing to take up the responsibility can apply for the same. There will be a selection process and the most eligible candidate will be selected. Duration of the CSR project will be announced along with the IVN. The selected candidate will have to work full-time for the CSR project and resume to regular work at the end of the CSR project tenure.

Annexure 3 – Candle Outreach

Candle Outreach is an employee-funded and employee-managed organization supporting the lesser privileged children in fulfilling their right to good health & nutrition, basic education and a sound standard of living. Candle Outreach also supports medical cases, blood donation needs, conducts events and runs special programs on a regular basis.

Operating Model

- a) Venture out in search of individuals/groups/organizations who need support
- b) Investigate & identify genuine cases
- c) Check out if there is enough finances to support the cause
- d) Assess if the support of Candle Outreach would really make a difference
- e) Get over 60% consensus from the Candle Outreach core group and support the case
- f) Review the beneficiaries (Beneficiaries are given one-time or periodic support extending up to a maximum of 12 months. Every beneficiary is reviewed in the 11th month, as is done for a new case, and decision revised.)

Financial Model

Candle beneficiary support and its operations shall be managed by the contributions of IBS employees with an aim to contribute

- a) 70% of the monthly contribution on children in supporting their education, health & good living
- b) 25% of the contribution in support of medical cases that are found genuine and life saving
- c) 5% on administrative expenses incurred events/visits/PR/Communications

Organization
